No	Area	Description	Change
1	Splash screen	Client will provide some screens that explain what NOMO is and Sush add them to this screen. Help file only available for first time launching the App	
2	Login screen		
3	Menu	Plan, Friends, My plans, Logout	
4	Friend - My Friend (without friend)	Enter friend name and result will be displayed (same as "Find a friend") 1. back icon on top left if access from My Friend/My Friend Request OR 2. No icon if coming from first time login	
5	Friend - My Friend (with friend)	Find a friend icon Friends list Remove a friend	
6	Friend - My Friend Request	Find a friend icon List of friend request Accept friend request decline friend request - Declining a friend request should generate a validation box. Header: "Are you sure" Body: None Button 1: "No" Button 2: "Yes"	
7	Find a fried	Search result (user name, friend status) Send friend request Back icon on top left	
8	Plan (without plan)	Make a plan big icon Add some friends big icon	
9	Plan (With plan)	Add a plan icon List of plan Remove plan from stream - Everyone including creators can 'Remove' any plan they like from their stream, however, removing will not delete the event	
10	Add a plan	Title and Day are mandatory fields Mandatory fields highlighted red if not completed and show message "Please complete required fields"	

		Update plan Cancel plan - When a creator cancels the original plan all associated plans are simultaneously cancelled. Viewers and re-posters plans should not just disappear though, upon deletion of the original event by the creator they should state "Cancelled. Swipe to remove" Re-posters may not cancel their event but they can 'Remove' it from their stream. Viewers of the repost will continue to see it in their stream because it has only been hidden not deleted. Therefore a re-post cannot be undone There must be a validation box which pops up after someone taps "Cancel plan" It should say Header: "Really?" Body: "Cancelling will remove all of the plans and comments associated with your plan" Button 1: "No thanks" Button 2: "OK"	
11	Update plan		
12	Plan details (creator)	Edit a plan Leave a comment	
13	Plan details (viewers/reposters)	Repost Leave a comment	
14	My plans	Same as "Plan" design, but to show plan created by the user only.	
15	Analytics	Google Analytics
